

STATEMENT OF ACCOMPLISHMENT

#44,562,890

HAS BEEN AWARDED TO

Shafin Rehman

FOR SUCCESSFULLY COMPLETING

Introduction to Linear Modeling in Python

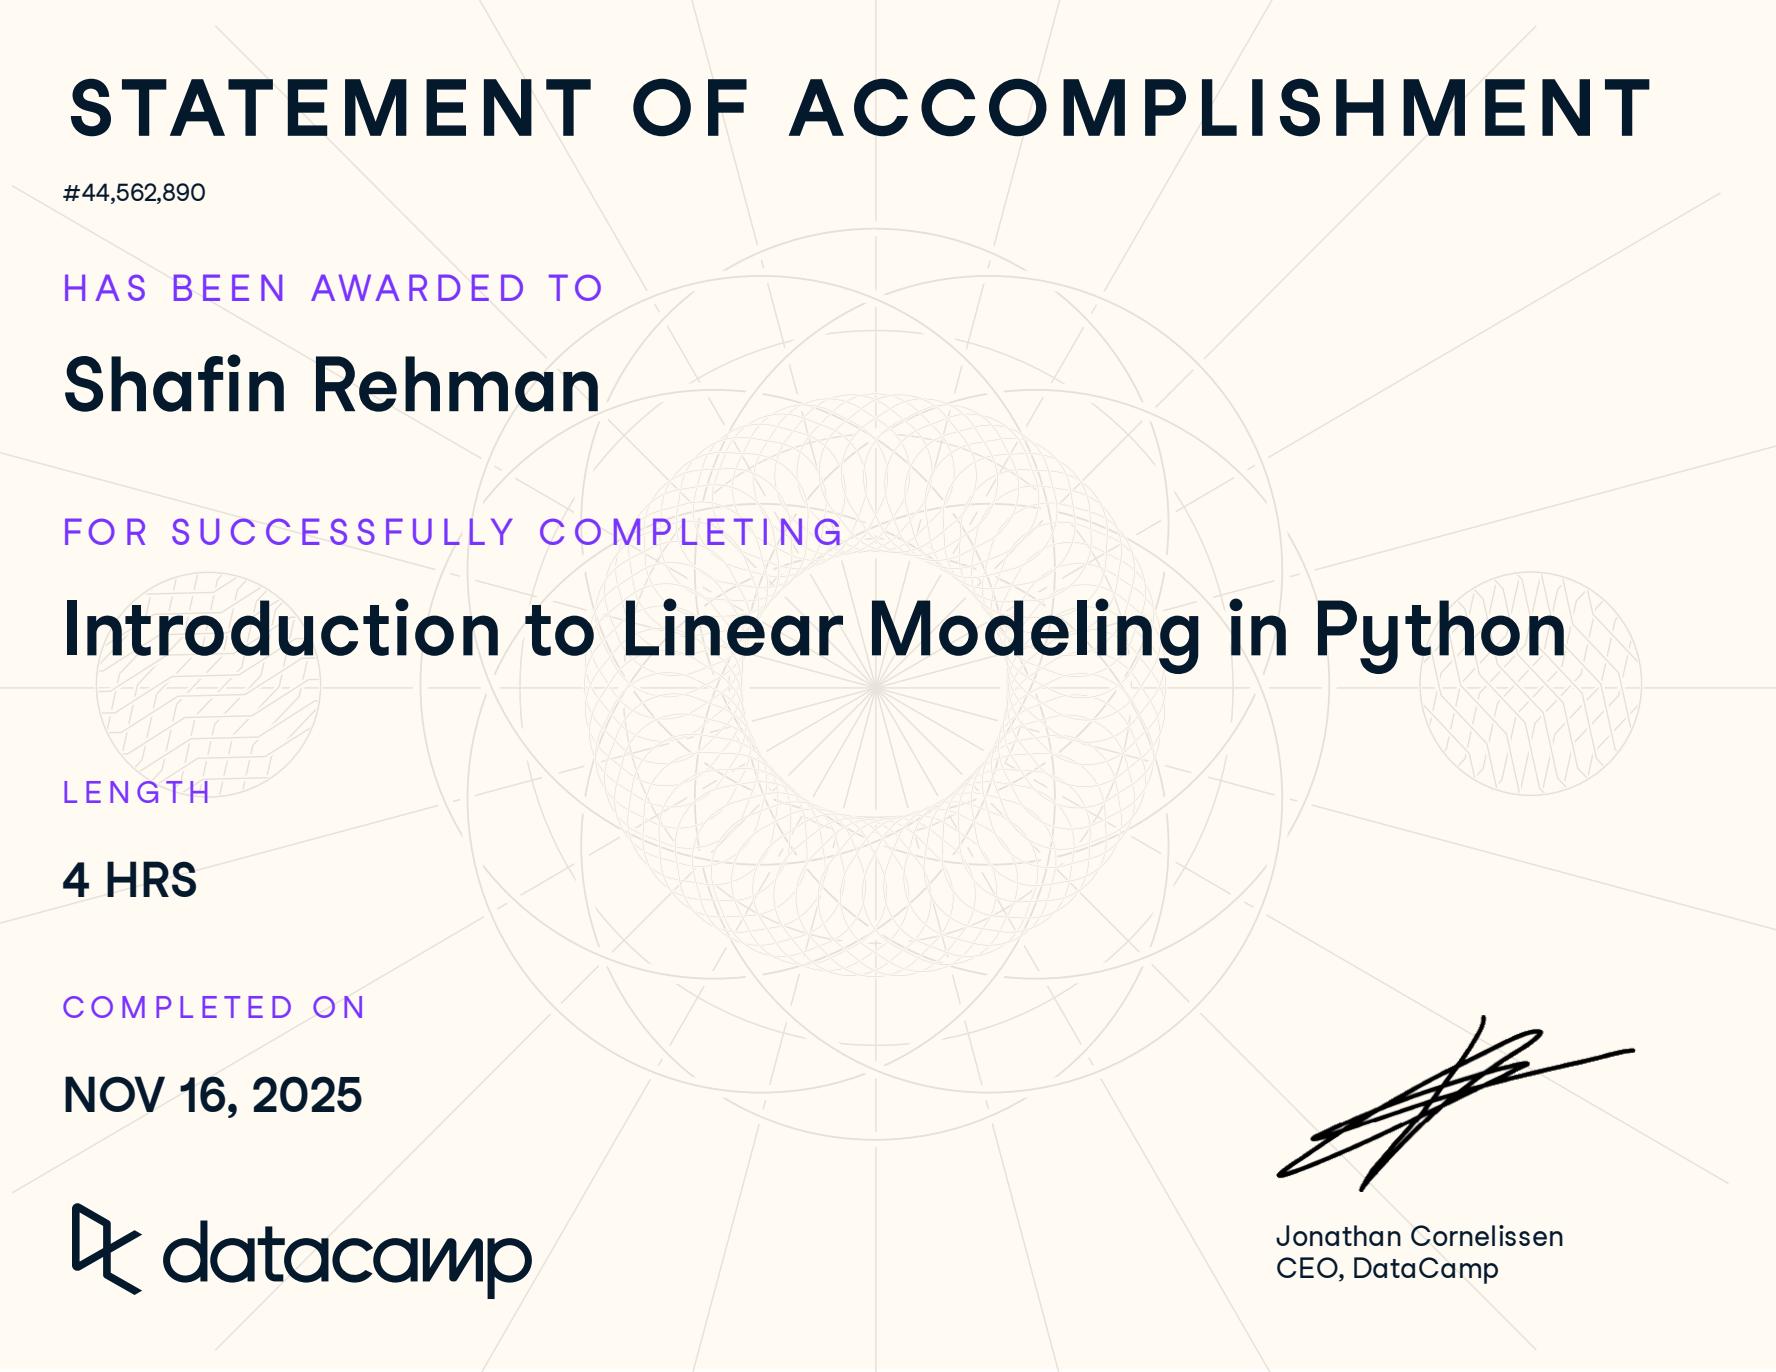

LENGTH

4 HRS

COMPLETED ON

NOV 16, 2025

 **datacamp**

A large, faint watermark-like graphic in the background features three circular nodes connected by a web of lines, resembling a network or a brain scan. The nodes are located at the top left, bottom right, and middle right of the page. The entire background has a light beige or cream color with subtle texture and highlights.
